2020- KMLA General Meeting

All lake residents welcome

Saturday June 13th

9:00 a.m.

Town of Osceola Town Hall

Paid members are allowed to vote

This is an election year and we have open positions.

If interested contact Cindy Katt 262.689.1515**

This is your lake! Be There!

If you have an agenda item to be discussed, please inform the secretary at least 1 week prior to the meeting. Email to cindykatt@hotmail.com

Please park close to the building, preferably fill the east side first and overflow next to the building on the south side due to garbage and recycling collection

KMLA Needs Your Help

Elections will be held at the June General Meeting. KMLA will see some changes in leadership. Dave Katt, current president will run for president again with the stipulation that he will assume the position (if elected) only if someone will share the position with the intent to run for president in 2022. If no one runs for the shared president position, Dave will not run for president in 2020. He is willing to bring someone up to speed on the information needed for this position over the next 2 years.

Cindy Katt, current secretary will not seek re-election in 2020. KMLA will need someone to take over the position in July 2020. She is willing to help the new secretary learn the responsibilities of this position. See page 3 for duties.

Both Cindy and Dave have each held positions with KMLA for almost 25 years.

Board member Carol Meske will not seek re-election.

KMLA NEEDS YOUR HELP NOW!

The lake needs you to get involved to keep it navigable and healthy.

Contact Cindy Katt for info 262.689.1515

Hello Fellow Lake Residents, Friends and Neighbors,

Another summer has come to an end, piers are out and winter is about to begin.

I hope everyone was happy with the quality of our lake this year. I know Cindy and I sure were! The treatment plans that were created over last winter with the DNR and our Lake Management Company, Onterra worked better than we anticipated. In the fall survey completed by Onterra, virtually no Eurasian Water Milfoil (EWM) was found in the lake. The first time in over 15 years that the levels of EWM have been this low.

As you may know treatment plans for our lake are now done on a multi-year schedule. Gone are the days of the DNR allowing us to treat the lake every year. In its place we need to negotiate a series of yearly plans that can be executed should certain trigger points measuring the amount of EWM present be met. Next summer - the second year of the current plan, if the trigger point is met, we will contract for the use of Diver Assisted Suction Harvesting (DASH) to remove as much material as possible.

In the third year, again if trigger points are met, spot treatments may be allowed. In the final year we will review the status of the lake and negotiate the next 4-year plan. The process will then restart. The negotiation process with the DNR is time consuming and many times frustrating. By the time the process starts again 2022/2023 I hope that others from around the lake will take over.

At the 2019 Spring Meeting we shared the results of the KMLA Lake Management Plan. The plan and the supporting documentation can be found and downloaded using these links:

[KMLA Lake Management Plan](#)

https://drive.google.com/open?id=1biq_SpGOWnVg3jZNttiBmU0DxG9g-04I

[KMLA Lake Management Plan Appendices](#)

https://drive.google.com/open?id=15ZehP1gNZwahKsOK_bwa3125ErjbMZrO

[KMLA Lake Management Plan Maps](#)

https://drive.google.com/open?id=1SNPacrBCzRSCthcCev2d_oXDcoA9-RZR

Please take time to review these documents and learn about your lake. As the lake continues to become more heavily used active lake management is increasingly important.

Enjoy the winter and we will see you next summer on the lake!

Dave Katt, President KMLA

President Duties (Willing to train someone for this position over the next 2 years)

- Invasive Control
- DNR Grant
- Grant Management
- Liaison DNR-Cason-Onterra (Spray companies & Management group)
 - Inform Lake Residents of Treatment
- Oversee all Committee Meetings

Please thank these local businesses for their continued support of KMLA.

Thank you Lake Residents for your donations and support of fundraising!

CHILI COOK OFF

KMLA's most popular event needs someone to take it over. We invite you to take on this challenge. We want this event to continue. It is our most profitable event and SO much fun. Contact Cindy Katt.

Secretary Duties (KMLA open position as of 7/1/20)

- Record Minutes from General Meetings
- Record Minutes from Board Meetings
- Schedule Board Meetings
- Schedule General Meetings
- Arrange location for General Meetings
- Arrange location for Board Meetings
- Elect nomination Committee Biyearly (even years)
- Copies of minutes at all meetings
- Maintain Directory
- Maintain Email List
- Newsletter 2 per year
- Final dues notice in November for non-paying residents

Contact Cindy Katt if you are willing to run for this position. It is a great way to interact with lake residents.
Call 262.689.1515 or email cindykatt@hotmail.com

Dues List / Audit

Attached please find a dues report for 2019. If you find any discrepancies, please contact Jeff May at 414.861.8173. Jeff is responsible for performing a yearly audit of the income and expenses for KMLA. He completed the audit for 2018 in July 2019.

Kevin McCarty is the Treasurer for KMLA who works year-round recording dues, monitoring and tracking expenses and payments and submitting grant reimbursements for KMLA.

Thank You Kevin & Jeff for all your hard work!

Please note that you must get your dues in before December 24 to receive credit for the current year. Because we file as a cash basis nonprofit organization, deposits for the calendar year must match dues received for that year.

**** Please review the dues list carefully as there is a slight discrepancy in deposits. Contact Jeff May if you notice any errors.**

Geese

This year we experienced a bumper crop of geese on the lake. 92 geese were counted at one point in August. The lake association will check into a possible goose harvest again in 2020 as most of the goose families return each year.

Help Please!

*KMLA needs your help.
Some of the duties include*

- Invasive Control
- Making Copies
- Printing Copies
- Aeration

Please contact Cindy Katt if you can help.
