We would like to thank returning members for your support
and welcome new members to join us!

- **Membership Dues** to the LLPA (starting May 1, 2022)
 - Membership Dues for One Year are \$50.00.

 - **General Fund** – generous donations are appreciated.
 - If you are able to donate more than the minimum required to renew your membership, it would be greatly appreciated.

 - What is included in your donation to the harvesting fund?
 - Harvest from the navigation lane and alongside your pier. (To protect spawning beds a minimum depth of 2 to 3 feet of water is needed).
 - The harvester will clear a navigation lane around the populated parts of the lake.
 - When will the harvester be on Long and Tittle Lakes for the 2 harvests?
 - Scheduled for the end of May for Navigation lanes only.
