Also means that YOU, the customer have to do your due diligence to make SURE the check is filled out correctly. TAKE the time to review your check to make sure everything is correct.

How to Pay Your Taxes:

Payment amounts are included on the payment stub(s), located at the bottom of your tax bill. Enclose appropriate payment stub(s) with your payment. A scanner is used to enter the tax bills into system, so PLEASE make sure you are sending the correct stub for payment.

Mail payment(s) to the appropriate location listed on the payment stub. For a receipt, include a self-addressed, stamped envelope, or provide email address for same day response. Payments will be accepted in the form of cash, a check, cashier’s check, money order, and credit card. Verify the written check amount is the same as the stub amount. Verify that the escrow check meets or exceeds the tax bill, and have all necessary parties properly endorse the escrow check.
